
.....CONTINUOUS GROWTH

FLOATING FOOTPRINT™

Nu Republic is glad to announce its new Floating Footprint Program. Now more then ever, you can take advantage of the entire Nu Republic network. For all eligible participants, your agency's location square footage has just jumped a hundred thousand square feet.

Now agents can continue utilizing our low-to-no overhead technique, while gaining additional access to the entire Nu Republic family retail and satellite space. That's right, every agency can share and gain access to all other participating agency's business space.

To participate in the Nu Republic Floating Footprint Program, you must have a qualifying retail space or two satellite locations functioning at least six days a week, ten hours per day. All locations must be registered with the program.

Each location must be equipped with at least two tables, 6 chairs, and have wifi Internet access. The "Tax Station" should include some piece of Nu Republic or Refund Republic marketing materials such as stand-up banners or posters.

The location must have a complete Floating Footprint agreement submitted to corporate for approval, be listed with Google places, and listed with a 411 directory.

HIGHLIGHTED FEATURES

Participating agency's agents will have access to utilize nationwide locations within the Floating Footprint network.

Every agency owner will be financially responsible for whatever fees are prearranged with the location's owner if the said location is indeed a satellite location. Fees will not be paid until the tax return has funded and the agency owner has received compensation.

The Floating Footprint will now grant your agency with access to thousands of great locations all over the country.

Agents will have access to service a customer at any location with a 15 minute prior notice. However, agents will not be allowed to sit over 30 minutes at any Floating-Footprint location nor take walk-in clients at any time. This ensures for consistent rotation of the space during peek season.

Your Nu Republic agency benefits just keep getting better! Apply now to get your locations qualified, and open up the market for your agents.
